Local Ride Network Installation & Set-Up

To install and set-up First Choice App:

1. Click the Google/Apple button here and install "**Local Ride Network**"

2. Start the app; you will see a purple sign up screen, click on "New User? Sign up"

3. Enter all the information that is asked for; all fields including Profile Image must be entered.

   Write down your user name and password and put in a safe place. ***If they are lost they cannot be recovered.***

   The Image should be a selfie with your nose in the centre and only showing your head. This is so that the driver can recognize you.

   You may use your camera or an image from the Gallery; an avatar is acceptable if you wish.

4. Agree to the terms and conditions

5. If you will, please share with a friend.

You will be taken to the screen where you can order a ride home.
